- Based at any Westmount Campus

Do you want to join an innovative and progressive school?

With eleven campuses across New Zealand, Westmount School is a Year 3-13 independent special character school. Westmount is unique, delivering the New Zealand curriculum to over 1,700 students across 16 sites, small classes with motivated and high-achieving students, modern well-equipped learning spaces, an innovative approach to education and a strong focus on self-directed learning.

Reporting to the Principal Team, the Associate Principal is a member of the Senior Educational Leadership Team (SELT) with responsibility for ensuring the requirements of the New Zealand Curriculum are implemented across the Senior School.

As part of the SELT, you will have oversight of all senior school learning programmes, including the review and ongoing development of a senior curriculum that is future-focussed and sets the scene to ignite a passion for world-class learning. You will provide leadership for senior school staff to help them develop consistent application of future-focused learning. Additional responsibilities may include lead person for NCEA and the Principal's Nominee for NZQA, although this is negotiable.

Exceptional communication and relationship skills, and proven experience leading teams are critical, as is respect for the Westmount's ethos and values. This is an exciting opportunity for educational leaders dedicated to providing high quality learning programmes in an innovative and modern learning environment.

Remuneration and benefits are commensurate with the high level of candidate expected.

Closing date for applications: Friday, 27 April 2018
