## Auckland Campus

- An aspirational and progressive education environment
- Excellent opportunities for professional development
- Permanent, full-time role

*"Our teaching professionals are learning coaches – they make learning visible, facilitating students to become self-directed in their personal discovery of where they are, where they are going and what they need to do to get there."*

Do you want to join an innovative and progressive school?

With eleven campuses across New Zealand, Westmount School is a Year 3-13 independent school, delivering the New Zealand curriculum to over 1,700 students across 16 North and South Island sites. With small classes, motivated and high-achieving students, modern well-equipped learning spaces, an innovative approach to education and a strong focus on self-directed learning, Westmount offers a truly unique teaching experience.

Our Auckland Campus is seeking an experienced New Zealand registered teacher of English. While not essential, experience at NCEA Level 3 would be an advantage.

Reporting to the Campus Principal, you will be responsible for instilling in students a desire to learn through self-directed learning programmes, in a modern and well-resourced classroom environment. This is an exciting opportunity for those dedicated to providing high quality learning programmes in an innovative and positive learning environment.

Please note, it is essential that all applicants have New Zealand teacher registration and the right to live and work in New Zealand.
