"Our teaching professionals are learning coaches – they make learning visible, facilitating students to become self-directed in their personal discovery of where they are, where they are going and what they need to do to get there."

Do you want to join an innovative and progressive school?

With eleven campuses across New Zealand, Westmount School is a Year 3-13 independent special character school. Westmount is unique, delivering the New Zealand curriculum to over 1,700 students across 16 sites, small classes with motivated and high-achieving students, modern well-equipped learning spaces, an innovative approach to education and a strong focus on self-directed learning.

Our Waikato Campus in Hamilton (Eureka) is seeking to appoint a New Zealand registered teacher of Physical Education on a permanent 0.8 FTE contract. While not essential, experience supporting students in Makerspaces or exposure to future-focused learning would be advantageous.

This role would suit teachers with a clear understanding of 21st Century learning practices and experience working in a collaborative learning environment.
