"Our teaching professionals are learning coaches. They make learning visible and facilitate students to become self-directed in their personal discovery of where they are, where they are going and what they need to do to get there."

Westmount School is a Year 3-13 independent school with an innovative approach to education that prides itself on having excellent facilities, motivated students and a supportive community behind it.

With eleven campuses across 16 sites, 160 teaching staff and over 1,700 students, Westmount delivers the full New Zealand curriculum within a progressive culture. The school's vision of personalised learning for all students ensures that they are able to maximise their full learning potential by offering small class sizes within a well-resourced modern learning environment.

Due to our continued investment in professional development and learning, our Waikato Campus is seeking New Zealand registered primary and secondary teachers for casual and short-term relieving positions at junior and senior levels.

These are excellent opportunities for casual teaching staff dedicated to providing high quality learning programmes in an innovative and positive learning environment.

Please note that all applicants will need to have New Zealand teacher registration and have the right to live and work in New Zealand.

While all applications will be reviewed, only candidates who meet our criteria will be contacted.

To register an interest, please contact our Waikato Campus on (07) 824 1757 or waikato.campus@westmount.school.nz
