Westmount School is a Year 3-13 independent school with an innovative approach to education that prides itself on having excellent facilities, motivated students and a supportive community behind it.

With 11 campuses across 16 sites located throughout New Zealand, Westmount delivers the full New Zealand curriculum within a progressive culture. The school's vision of personalised learning for all students ensures that they are able to maximise their full learning potential by offering small class sizes within a well-resourced, supportive and collegial team environment.

Westmount's Dunedin Campus is seeking to appoint an energetic and enthusiastic teacher to support a Year 4 student with special educational needs, as well as to provide occasional support for other students within the campus Learning Centre.

The successful candidate will be responsible for planning and delivering a stimulating and engaging learning programme and will possess the ability to forge a positive relationship with the student. While not essential, experience with students exhibiting emotional and behavioral disorders would be an advantage.

This is an exciting opportunity for teachers wishing to work in an innovative and positive learning environment.
