

Science Teacher

Upper South Campus (Nelson)

Teaching and learning tomorrow..... today.

- 21st Century Teaching and Learning
- Progressive and Innovative Education Environment
- Modern Well-Resourced Learning Spaces

“Our teaching professionals are learning coaches, making learning visible and facilitating students to become self-directed in their personal discovery of where they are, where they are going and what they need to do to get there.”

With eleven campuses across New Zealand, Westmount School is unique – delivering the New Zealand curriculum to over 1,700 students across 16 sites; small classes with motivated and high-achieving students; modern well-equipped learning spaces; an innovative approach to education; and a strong focus on self-directed learning.

Our Upper South Campus in Nelson is seeking to appoint an experienced and enthusiastic New Zealand registered teacher of Science to deliver innovative lessons at NCEA. While not essential, the ability to teach Mathematics would be advantageous. This role would suit teachers with a clear understanding of 21st Century learning practices and experience working in a collaborative learning environment.

Do you want to work in a well-resourced, innovative and progressive education environment? Please contact Iain Longden on recruitment@westmount.school.nz for further information.

Please note that all applicants will need to have New Zealand teacher registration and have the right to live and work in New Zealand.

Applications close: Friday, 23 March 2018

Westmount is affiliated to OneSchool - 22 privately registered schools with 175 campuses across 21 countries. With eleven campuses across New Zealand, OneSchool provides support and promotes cooperation and coordination between affiliated schools in their commitment to providing global standards in a progressive education environment.
